

## Sire Statistics

- When the **LYNDHURST STUD SIRE, CELESTIAL DANCER**, had winners of 239 races in the 1995-96 Australian racing season, he set a new **WORLD RECORD** for the most number of wins in a year and far outstripped the previous **AUSTRALIAN RECORD** by an earlier **LYNDHURST SIRE, SMOKEY EYES**.
- **CELESTIAL DANCER** also had a spectacular success in the 1996-1997 season, being the source of winners of a mammoth 234 races and earners of a **QUEENSLAND RECORD A\$2,269,946**.
- **CELESTIAL DANCER** was one of two sires whose progeny had over 200 wins in the 1996-97 season, sharing the distinction with another representative of the Native Dancer male line, Switch In Time.
- In the 1997-1998 season **CELESTIAL DANCER** was ONE of only TWO stallions standing in Australia who sired over **100 INDIVIDUAL WINNERS**. The other stallion was Danehill (USA) who is a shuttle stallion and commands a service fee of **A\$200,000**.
- In December 2000 **CELESTIAL DANCER** became the first stallion in Australia to **EVER PRODUCE MORE THAN 500 INDIVIDUAL WINNERS**. The previous record of individual winners to an Australian based sire was Smokey Eyes (475) who ironically also stood at **LYNDHURST STUD**.

**LYNDHURST HAS SET AND MAINTAINED WIN, NUMBER OF WINNERS AND BREEDING RECORDS THAT MOST AUSTRALIAN STUDS WILL NEVER ACHIEVE.**
